FISHERIES SECTOR LIVE BROADCAST

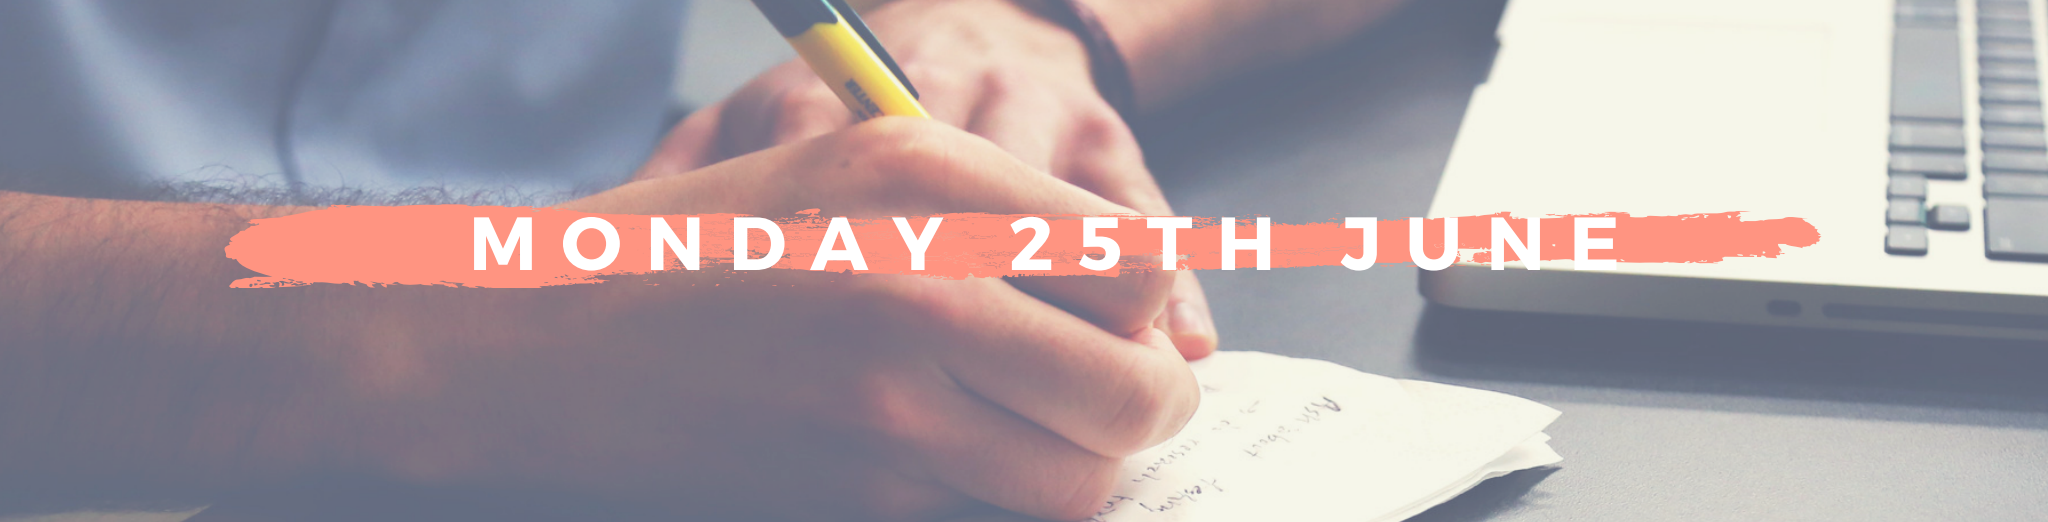

Spanish fisheries sector is a point of reference in Europe. With the largest fishing fleet of the Union, this sector is deeply entrenched in the Spanish culture and economy. In addition Spain is the first aquaculture producer of the European Union and the second largest fisheries and seafood products consumer in Europe. Spain has a unique net of traditional Fish Shops.

During this workshop attendants will have the opportunity to live amazing experiences related with the spanish fisheries sector.

SUNDAY 24TH JUNE

**CULTURAL VISIT
MADRID
STARTING AT 16:00**

MONDAY 25TH JUNE

On Monday 25th June the Final e-FishNet seminar will be held. e-FishNet is an European Project co-funded by the Erasmus + Programme of the European Union. During this seminar we will listen to interesting lectures related to training in the Fisheries Sector and the interests of consumers, among other issues.
