FISHERIES SECTOR LIVE BROADCAST

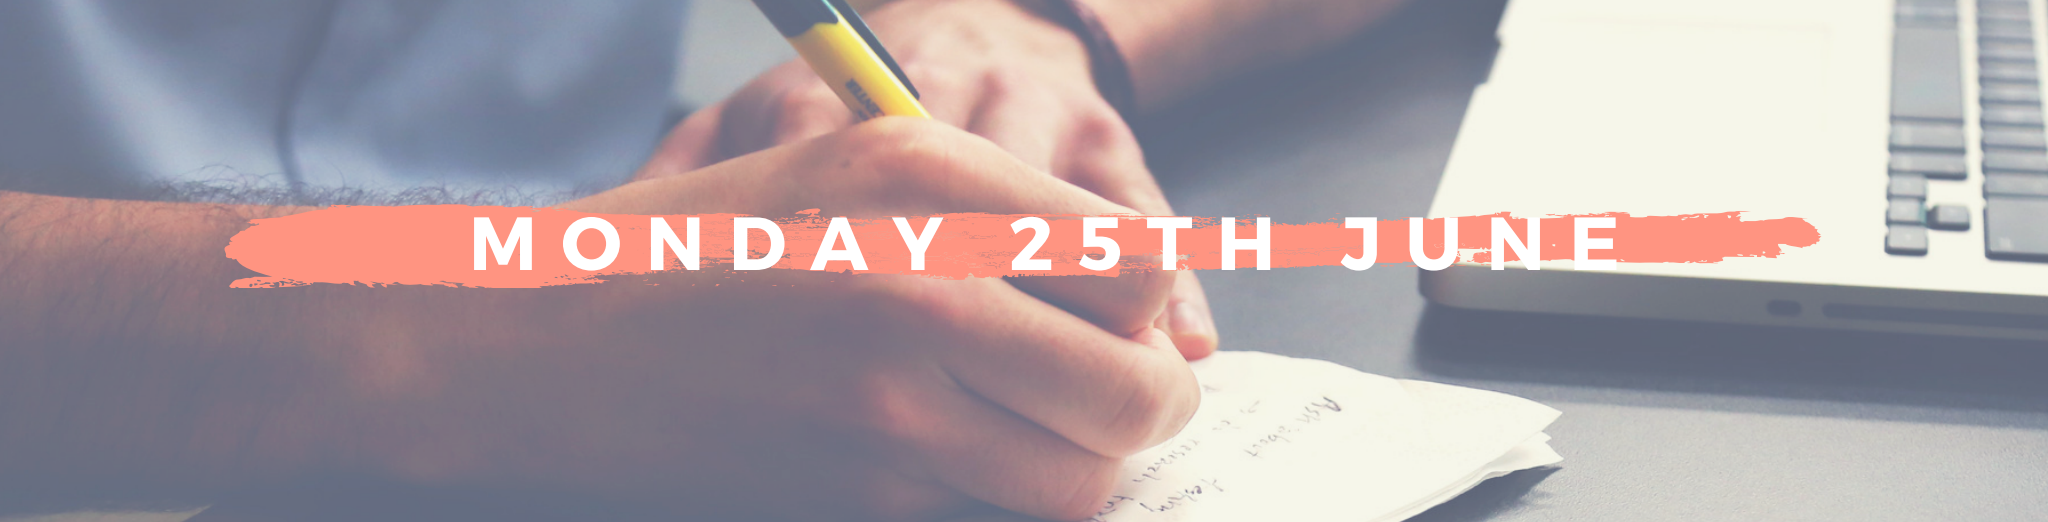

The Spanish fisheries sector is a point of reference in Europe. With the largest fishing fleet of the Union, this sector is deeply entrenched in the Spanish culture and economy. In addition Spain is the biggest aquaculture producer of the European Union and the second largest fisheries and seafood products consumer in Europe. Spain has a unique network of traditional Fish Shops.

During this workshop attendants will have the opportunity to live amazing experiences related to the Spanish fisheries sector.

SUNDAY 24TH JUNE

**CULTURAL VISIT
MADRID
STARTING AT 16:00**

MONDAY 25TH JUNE

On Monday 25th June the Final e-FishNet seminar will be held. e-FishNet is an European Project co-funded by the Erasmus + Programme of the European Union. Here we will have a series of interesting lectures related to training in the Fisheries Sector and the interests of consumers, among other issues.
